

INFORMATION FOR TRAVELING OUTSIDE OF THE UNITED STATES.

We strongly recommend that you choose more than one method of funds for travel.

Below are some helpful suggestions to assist you in preparing for a trip.

- You will need to inform the Credit Union of where and when you will be traveling, so that your Debit card can be activated for International use.
- United Local Credit Union offers VISA Travel Cards that are safe, easy and convenient to use.
- If during your vacation your **DEBIT** card becomes either **LOST** or **STOLEN** contact **1-866-334-1048 IMMEDIATELY**, so a block may be placed on your card. Should your card be **DECLINED** for purchase or withdraw please contact the Credit Union or the number above for assistance.
- Please be aware that due to the increased amount of international Credit Card fraud, United Local Credit Union Credit Cards are currently restricted to use within the United States.
- Visa International does assess fees for foreign transactions and currency conversion at foreign ATM's. United Local Credit Union **DOES NOT** guarantee the conversion of foreign currency.
- Please be aware that there is an increased risk of fraud by using your card outside of the United States. United Local Credit Union **DOES NOT** guarantee liability of fraud if you request that your Debit card be activated for foreign transactions.
