

WHAT IS TRACK MY CA\$H?

TRACK MY CA\$H is a personalized tracking and budgeting tool that will soon be available within your Online & Mobile Banking platforms.

With TRACK MY CA\$H you can quickly view your investments, mortgage balances, credit cards and of course, bank accounts. You can add any account you can access online and gain easy and fast access to watch the "big picture".

Adding other accounts for a complete financial picture is simple. TRACK MY CA\$H will then track your account relationships with almost every financial institutions automatically, including credit card providers and investment firms. Then use TRACK MY CA\$H to track spending, set budgets, calculate your net worth and more!

Easily create budgets, categorize, and track spending habits. Quickly create one or more budgets and start tagging your transactions to see where and how you spend your money.

The cash flow calendar brings your budget to life through an interactive calendar. With the calendar, you can see how much money you will have available to pay bills and other expenses day by day...allowing you to make informed choices on when to schedule bills and other spending.

Set and track goals. Visually tracking your progress can help you take control and make reaching your financial goals much quicker and easier. Use TRACK MY CA\$H to create savings goals, like saving for a vacation, or a debt reduction goal, like paying off a high-rate credit card. The goals tool asks for a date by which you want to accomplish the goal and keeps track of your progress automatically.

Stay informed with account alerts by email or text. With TRACK MY CA\$H, you really are in control. Be alerted when an account balance changes significantly, transactions to a specific retailer occur, when you are close to exceeding a spending category, and more. No more need to login to home banking constantly to track activity...let TRACK MY CA\$H keep you informed.

Build wealth and watch it grow through the Net Worth tool. No need to keep manually updating a spreadsheet. TRACK MY CA\$H helps you quickly add up all your assets (you can even add your home and vehicles) and debts to show you an up-to-date estimate of your net worth.

We hope you enjoy this new service coming soon!
